

CARBO FIRE FLEX-LOC TR GRINDING DISCS

Carbo Fire Flex-Loc TR discs are ideal for fast stock removal in a small area. Their self-sharpening design is ideal for high pressure, heavy metal removal applications. The engineered, laminated backing is extremely durable for the most rugged applications.

CARBO FIRE FLEX-LOC TR FOR MAXIMUM PRODUCTIVITY!

Premium performance / Easy twist-on / twist-off system for less downtime / Minimize repair area / Fits into small areas

Carborundum's Flex-Loc TR 2 and 3 inch discs get into hard-to-reach areas for the toughest jobs. The Flex-loc system permits instant disc mounting and removal. When you are ready to change the disc, simply twist it off.
