

FIBRATEX THIN-FLEX SCUFF PADS

PERFECT FOR TIGHT SPOTS AND CONTOURS

Lasts longer than competitive pads / Very consistent scratch / Incredible flexibility for getting into hard-to-reach areas

Thin-Flex is an incredibly flexible, yet strong product that is perfect for use on contoured surfaces and for getting into tight spaces. It can be used for fine finishing and surface preparation.

A special coating process ensures the grain is exposed for superior and consistent cutting action.
