Cool, fast-cutting grain / Tear-resistant / Non-loading

Carborundum White Lightning is the perfect combination of performance, convenience and value. Durable aluminum oxide grain on a robust backing offers a quick cut, incredibly long life and minimal loading. White Lightning has been engineered to give a consistent cut throughout the life of the product.

FEATURES

- P-graded premium aluminum oxide abrasive
- "Anti-load" stearate
- Paper-latex B and E weight backing

BENEFITS

- Fast cut and long life
- Consistent finish
- Excellent load resistance
- No pigment transfer
- High tear resistance
- Flexible and conformable
